**Request for Proposals**

**Procurement of New Generation Capacity in  
Eswatini (First Tranche Procurement Programme)**

**Bids received**

## INTRODUCTION

On 06 March 2020, the Eswatini Energy Regulatory Authority (“ESERA”) launched the request for proposal process with Tender No. ESERA/RFP/13/2019-2020 for the First Tranche Procurement Programme as amended through Briefing Notes (“RFP”). The RFP invited Bidders to submit Bids in order to be selected for the development of the power projects under the First Tranche Procurement Programme.

The deadline for the submission of the electronic Bid submissions was 30 November 2020 at 12:00 noon (CAT). This document provides the Bidders who submitted Bids pursuant to the RFP by the Bid Submission Deadline.

Capitalised terms used in this document shall have the meanings given to them in the RFQ, unless otherwise defined herein.

Table 1 below provides the Bidders who submitted Bids pursuant to the RFP by the Bid Submission Deadline and the number of Projects that each Bidder is Bidding for.

**Table 1: First Tranche Procurement Programme Bid submissions (in alphabetical order)**

<b>Item No</b>	<b>Bidder Name</b>	<b>Number of Projects</b>
1	Africa Clean Energy Development	Three (3)
2	Eswatini Green Energy Consortium	One (1)
3	Globeleq Africa Holdings Limited/Sturdee Energy Southern Africa Consortium	Three (3)
4	InnoVent SAS	Three (3)
5	Voltalia SA/Semane Engineering Solutions Consortium	One (1)
