### 3 DETAILED INSTRUCTIONS

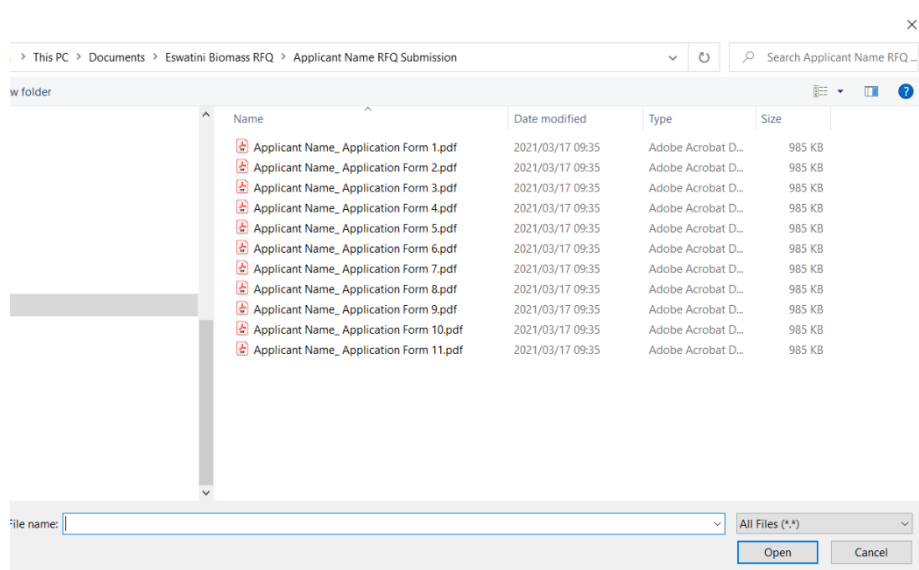

Upon copying any of the submission links onto a web browser, Applicants will see the screen below:

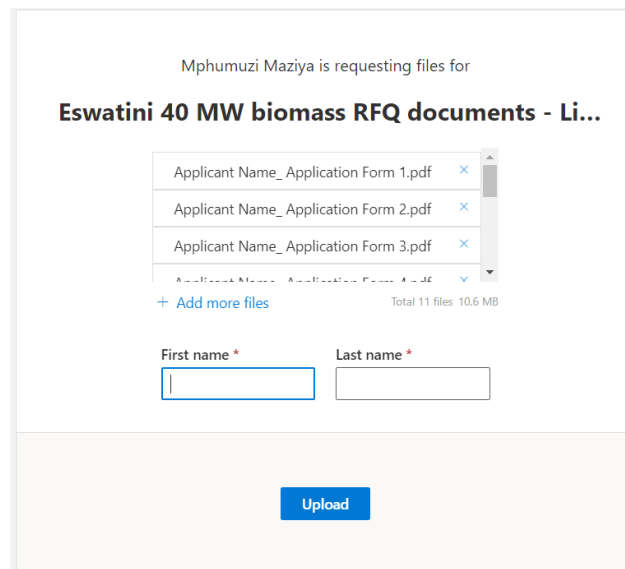

Clicking on “Select Files” will bring up a window that allows Applicants to select which files to upload to OneDrive.

**Note:** Only files can be uploaded to the OneDrive, Applicants are therefore encouraged to consolidate all information relating to a specific Application Form into one pdf document in order to reduce the number of files that are to be uploaded. Alternatively, Applicants can put the documents into a compressed folder, and then upload the compressed folder.

In addition, Applicants are required to preface each file name with the Applicant Name in order to allow for easy identification, as shown in the screenshot below.

Once all files for upload have been selected, Applicants will see the screen below. The name and surname of the Applicant representative should be completed. Thereafter, clicking on “Upload” will start the upload process.
